SERVICES

As a family run business we pride ourselves in delivering the best possible service at the most competitive prices without compromising on quality. We work closely with designers to ensure we meet our clients requirements and expectations.

INTERIOR DESIGN

Over the years, Telegraph has built strong relationships with the top interior designers working in the hospitality and leisure industry.

We draw on their experience and innovation to ensure that our designs always hit the right balance between the creative and commercial requirements of the brief – providing our

clients with a high specification finish in a space that maximises the return to the bottom line.

All our design concepts are produced using CAD 3D technology allowing clients to fully visualise and evaluate the look and layout created by the interior designer.

BESPOKE ITEMS

At Telegraph, we're never satisfied unless we've fully met the brief. So, if we need something unique or rare to complete a venue we'll keep looking until we find it – and if we can't find it we'll make it!

FIXED SEATING (DEEP BUTTON BACK, PLAIN BACK / FLUTED BACK / BESPOKE BOOTHS)

MORE INFORMATION

BOOTH SEATING

Telegraph Contract Furniture manufacture bespoke fixed seating to your exact specifications. Providing installation and refurbishment, the plain back fixed seating is upholstered in a choice of material including fabric, leather or faux leather.

DEEP BUTTON BACK

Our bespoke deep button back fixed seating is made to measure your exact requirements, perfect for any restaurant fit-out or refurbishment service. Upholstered in a choice of material including fabric, leather or faux leather, deep button back fixed seating can maximise any restaurant seating capacity.

FLUTED BACK

Specialists in bespoke piped back fixed seating, Telegraph Contract Furniture can manufacture bespoke piped back fixed seating for any restaurant or bar within the hospitality industry. Upholstered in a choice of fabric, leather or faux leather material, piped back fixed seating presents flexible seating that maximises the layout.

PLAIN BACK

Plain Back fixed seating has become increasingly popular in many restaurants, bars and hotel due to the layout that it provides. By placing them back-to-back, plain back fixed seating provides a much smoother layout, no maintenance and can seat more customers.

BESPOKE BOOTHS

All Booth seating are made to measure bespoke pieces to fit your space. You can choose from the most popular Booth finishes as named above. Or we can create a Bespoke finish to your Booth seating areas giving them the wow factor.

CASE STUDIES¹

MORDEN & LEA LONDON CITY CENTRE

MORDEN & LEA OPENED ON WARDOUR STREET IN JUNE 2015, AND IS THE NEW PROJECT OF RENOWNED CHEF & RESTAURATEUR MARK SERGEANT.

THE PROJECT

The Restaurant is split across two floors. The Entrance level provides a casual and relaxed eating area, where you can gather in a cosy booths or enjoy the atmosphere by the Bar. Upstairs provides more sophistication and comfortable seating in the Atrium and a Private Dining Area.

Telegraph Contract Furniture worked closely with the Client and March & White to supply Quality furniture throughout the restaurant to compliment the surrounds.

Based in the Centre of London on Wardour Street, this Restaurant is certainly one to visit.
